Seymour Lumber: Operations

Dear Valued Customer,

Seymour Lumber is open and will continue to work and operate to the best of our ability all while considering the safety and wellbeing of our team members.

Seymour Lumber's business is deemed "essential" and thus allowed (and required) to continue to operate. Essential businesses consist of those that support critical infrastructure (such as public and private building projects), construction, and hardware stores, including "workers who support the manufacture and distribution of forest products, including, but not limited to timber, paper, and other wood products."

Seymour Lumber will operate Monday through Friday from 7:00am to 5:00pm and Saturday's from 8:00am-12:00pm. The yard and showroom will be open during regular business hours providing delivery Monday through Friday. Please reach out to any of us if you have any questions or concerns.

Seymour Lumber will strive to do business as usual, in these unusual times.

All the best and as always, be safe!
